Table of Contents:

Introduction Pages 1 - 6

Administration Pages 7 - 14

LIONIZED for service is Miss Frances Hazen, counselor for Girls. Named "Teacher of the Year" by the Minerva Woman's club, she has been chosen to represent the administrators and teachers of our school who will influence our lives from "Here to Eternity."

Classes Pages 15 - 60

LIONIZED for scholarship are Robert Lawther and Bill Faith who won distinction in the National Merit Scholarship program. They represent the goal toward which all classes are organized, achievement of the maximum potential in academic skill. We hope that each student will leave his formal training in high school with an inquiring mind bent on continuing his intellectual growth.

Athletics Pages 61 - 80

LIONIZED in athletics are Donald Lawther and his famous Tri-County basketball champions who will be remembered not only for their high scores but for their good sportsmanship. To represent this section we picture the famous starting lineup. They are John Knox, Ronnie Hardgrove, David Stout, Bill Elliott and Chris Ferris.

Activities Pages 81 - 124

LIONIZED for participation in activities are these students who are representatives of clubs and organizations which have won distinction this year: Charles Dominick, in national finals in extempore speaking; Joe Smalley, first president of the newly organized Future Teachers; Norman Summer, scholar, and soloist in the county music festival, Gilbert Ray, star farmer; and Freda Nigro, "superior" senior instrumentalist.

Advertising Pages 125 - 144

Index Pages 145 - 151

Dedicated to

MRS. DOROTHY THOMPSON

Through the last four years, the senior class has been wondering how we shall ever repay you, Mrs. Dorothy Thompson, for all of your advice and time spent in starting and promoting the many projects undertaken by our class.

We have decided that the most appropriate way to show our appreciation would be to dedicate our book, the 1959 Crescent, to you. In this small way we hope to repay you for all your kindnesses.

We shall long remember how you started us on the right path in our freshman year. Your eagerness to work at any time and your ingenuity has helped us sponsor such events as the Junior-Senior prom, and the successful Christmas program.

We shall long remember the soft-spoken, brown-haired lady with the enchanting New England accent who helped our class take all the hurdles.

Thanks for helping to make our four years in high school successful.

With Recognition to

BERNARD MARCINKOWEY

"It takes seventy-two muscles to frown and only seven to smile" is only one of the many fine helpful ideas given to us by Bernard Marcinkowey over the last four years. Mr. Marcinkowey, with his quick wit and warm fellowship for everybody, has won the hearts of everyone who knows him. We hate to think how we would ever have gotten along without him.

GEORGE IDDINGS

"A general all around nice guy" is the exact way to describe Mr. George Iddings. He has shown unusual interest in anything our class has wished to discuss, and with his sound advice we have been able to avert many trying situations. Without his guidance, we would have been lost.

MRS. NETTYE CLARK

A person who is a good listener is one whom everyone wants to know. Quiet, reserved Mrs. Nettie Clark is just that person. She was always ready to listen to our complaints and to offer her services. Her sweet and gentle ways have won her the deep admiration of the senior class.

WENDELL SMITH

Although he just joined us this year as a class sponsor, Mr. Wendell Smith has proved to be a very helpful asset to our class. His dry, witty humor and mathematical ingenuity have aided us tremendously this year. We only wish he could have been with us longer.

Foreword

As our school mascot, fierce and proud, leaps from section to section of this book, we, the Crescent staff of 1959, have thought to Lionize those in our school to whom honor is due for some special distinction.

We are extremely proud of the accomplishments of these people and seek in this way to honor them. Although we cannot feature everyone in this honorable estate, which we would like to do, we think that the outstanding people whom we have selected for our division pages are representative of all of us.

It is the purpose of this book to help us cherish those precious moments we spent together with our teachers and fellow classmates in study, sports and activities during our four happy years in Minerva High.

They Hold Our World In Their Hands

It is with pride and the deepest of satisfaction that we extend congratulations and best wishes to the members of the graduating class of 1959.

You have been a strong class and your contributions to school life and community service have been exceedingly gratifying.

Scholastically, you have fared exceptionally well, some of your members ranking with the best in the nation. In extra-curricular activities you have performed beyond our fondest expectations. In music, debate, athletics, journalism, student council etc. you have been strongly represented.

You should be proud to be a member of the graduating class of 1959.

The best of luck to you.

The quiet, tall man from Oklahoma, has made us like him very much because of his good manners and his kind way of handling any situation.

The pleasant smile on his face and his friendly, warm greeting make many a cold heart stir. Behind these mild manners is a very efficient and industrious worker.

We at MHS are proud to say that he is our superintendent. For those coming after us, we hope that they will have the pleasure of working with him also.

HASKELL F. PAULDING, Superintendent

He Governs Most, Makes The Least Noise

What's Past Is Prologue

Beginning our first year in high school, we as freshmen did not know what to expect. After our initiation, we started to plan for our class party. We had many classmates who liked to skate; therefore, both our parties were skating parties at the Minerva Skating Rink. These parties were our biggest events during our freshman year.

For class entertainment during our sophomore year, we had a skating party and a dance. The most exciting event in our sophomore year was ordering our class rings. We were very observant of the upperclasses, because we realized that next year we would have a chance to do activities such as they were doing now.

Our junior year was one that was very active. We received our class rings October 21. As always, we had those few students who were anxious to give their

rings away. This year we worked in the concession stand at the football and basketball games. Our class presented the annual junior play, "Father Knows Best". The junior class sponsored the pep rally to urge our team on to victory. The skit for the rally was written by Norman Summer. Jim Arrasmith was the first exchange student to be selected from Minerva by the American Field Service. Our Prom "Dreamer's Holiday" was quite successful. We had thousands of balloons and millions of stars to represent our dream. Six juniors were elected to the National Honor Society.

Our senior year was noteworthy for the mock election conducted by the government classes and the Christmas skit which featured the chipmunks. The class play, commencement, and our trip to New York City terminated our life together as a class.

Attend Government Short Course

Charlotte Willis, Carol Polen, Norman Summer, and Bill Faith represented Minerva high school last summer at the State workshop featuring a "Short Course in Government".

The delegates were sponsored by the American Legion and Auxiliary, Rotary Club and Community Association.

The purpose of Boys' and Girls' States is to educate our young men and women in the responsibilities of American citizenship; to give to these citizens in a realistic manner, an opportunity to learn the problems of government with special emphasis upon the contribution men and women can make to the welfare of the city, county, state and nation.

BOYS' AND GIRLS' STATE DELEGATES
Charlotte Willis, Norman Summer, Bill Faith, Carol Polen.

AFS Sends Arrasmith To Germany

Jim Arrasmith, selected as the first participant in the American Field Service program from the Minerva High School, came back with a store of knowledge concerning foreign affairs as a result of his traveling to Germany and surrounding countries. He spent three months with a German family, participating in their daily routine of work and going to school.

Big differences were noted in the methods of farming, ways of transportation, systems of education, and the general family background.

Much of their farming was done with horsedrawn equipment. Most of the teen-age mode of transportation was by bicycle or simply by going on foot. Schools were not generally co-educational and the children went to school for six days a week for ten and one-half months during the year and carried approximately ten subjects.

He found the German family life to be more centered around the home. Jim lived with the very friendly "Platte" family who had records of ownership of their farm dating back to 1492, the year Columbus discovered America.

Other highlights during the summer included visiting the Brussels World's Fair, scene of the Battle of the Bulge, and trips to nearby castles and towns.

Advisory Committee Organizes Class Activities

SENIOR ADVISORY BOARD

Standing: Norman Summer, John Oakes, Paul Adams, Dennis Atkin, Bill Elliott.
Seated: Carol Locke, Jim Arrasmith, Mrs. Thompson, Bill Faith, David Stout.

JUNIOR CLASS OFFICERS

Vice President, Larry Stoffer; President, Ted Issue; Treasurer, Pat Lutz; Secretary, Jackie Bille.

Today We Follow; Tomorrow We Lead

At the beginning of the school year, the class of 1960 elected Ted Issue as president; Larry Stoffer, vice president; Jackie Bille, secretary; Pat Lutz, treasurer.

The juniors, under the supervision of Miss Irene Wachtel, Miss Joyce Kast, James Paulat, and Glenn Powell, began their first year as upper classmen.

The class rings were received on October 31.

The Juniors co-sponsored with the Debate Club a play entitled Arsenic and Old Lace.

To increase their treasury, the junior class sold refreshments at the football and basketball games.

The junior class sold note paper with the picture of the school printed on it. This added to their treasury.

The prom committee consisting of Judie Kae Harsh, and Sandra Harsh, co-chairmen for the theme; Dora Mae Snyder and Mary Haynam, co-chairmen for meal; Phil Ferguson and Chris Ferris co-chairmen for invitation; Edith Kibler, Jane Culp co-chairmen for decorations; did a fine job of presenting the traditional Junior-Senior Prom.

Fourth row, front to back: Betty Bowman, Richard McClellan, Richard Paxton, Marylee McAvoy, Joe Smalley, Norman Summer.

Standing: Miss Hazen, instructor.

Language Mastery Is Key To Success

Recently, there has been severe criticism of American schools and education. Students are now trying to prove that this criticism is without foundation. The language department is easily one of the most important departments of our school.

English is extremely important because, since it is our native language, we are constantly being judged by our use of it. The correct use of English can gain us social prestige and advance our position in our chosen careers.

Minerva students are learning good English with the help of good literature and grammar books and excellent teachers. These teachers try to cultivate in each student a taste for good literature through the literature books and periodic book reports. Theme papers call for the practi-

cal application of the rules for grammar that have been taught.

For the first year in over a decade, students are again able to major in Latin. Since many colleges require a Latin background, this is helpful to those students who will continue their education after graduation. The study of Latin will increase a person's understanding of all languages and increase his vocabulary because so many of our words are derived from the Latin language.

Though Spanish is no longer taught at Minerva, many students who were learning this language last year are now finishing their minor by taking French, which replaced Spanish this year. These students will have a background in three foreign languages when they graduate.

Science Is Needed

SOCIAL STUDIES

The aim of the social studies department is to give to students the truest and most realistic knowledge that is possible of the community, state, nation, and world in which they live and must learn to make their way.

The study of World History shows how ancient nations rose and fell, each making its contribution to our modern world.

American History tells how our country was first discovered. It tells the story of the United States—how the colonists fought for independence and won, how they formed a new kind of government never before imagined, and how the United States quickly gained recognition and rose to world leadership.

In this era when almost everyone takes some part in political affairs, even though it be no more than voting, it is important to know and understand the workings of our government. In American Government, students learn the various functions of our system of government—local, state, and federal. Mock elections and court trials gain the students' interest so that each student absorbs more from the experience.

The course in social living helps students to gain a better understanding of themselves and others.

These four courses are required for graduation from Minerva high school.

In applied economics, an elective subject, students study stocks and bonds and the economic condition of the country. To be thrifty rather than to spend money foolishly is one of the most important features of the course.

SCIENCE

Science and research are responsible for the progress made from the way primitive man lived a million years ago to our modern high standard of living. However, science has never been more important than it is today. There is science for war and science for peace, but in our country the emphasis is on science for peace. In keeping with this spirit, Minerva high offers a four-year scientific course.

General Science, required for all freshmen, teaches the basic rules of all the science fields.

Any student who intends to enter the medical field should prepare for it by taking biology and chemistry. In biology

BIOLOGY CLASS

Seated: Kenny Betler, Darrell Blatt.

Standing: Regina Granger, Jeanne Ann McAvoy, Mike Yeagley, Randy Evans, Pam Hutchison, Joe Zeedrich.

... For Peace, Advancement

a student learns how plants and animals grow and how they behave under certain conditions. In chemistry, students learn how to mix chemicals to get specified results and do various experiments.

Because physics teaches the practical application of the laws of science, it is a subject recommended for those students planning to enter an electronics or engineering field.

PHYSICAL EDUCATION

Many students enjoy the informal atmosphere and the competitive games of the physical education classes. Physical education promotes better health, and the games inspire good sportsmanship and cooperation.

Each student must take physical education for two years, and a student can earn a credit by taking it four years.

Boys take part in football, basketball, volley ball, tumbling, wrestling and softball. Girls have similar activities.

May Day is the highlight of the year for the girls because the major part of the

program is performed by girls chosen from the girls' physical education classes.

INDUSTRIAL ARTS

Boys who take the course in industrial arts gain much practical experience in woodcraft and mechanics that will be helpful to them in finding a job after graduation.

This year, the freshmen began their four-year course with mechanical drawing. Later in the year they made small objects of wood by hand, using their previous drawings as a guide.

With the aid of the modern, more advanced machinery, the sophomores made larger objects such as boats and dressers.

The juniors and seniors joined in a class to learn the fundamentals of automobile mechanics. These boys studied the causes of motor trouble and learned how to correct these problems.

After the completion of this course, boys are qualified for many positions in industry.

Vocational Agriculture Combines Service-Education

VOCATIONAL AGRICULTURE

Boys who plan to make farming their career can start their career in high school by taking the vocational agriculture course and by joining FFA. This is a four-year course in which boys do class work and projects. After the completion of this course, they have the choice of starting their career or specializing in college.

In class, boys learn of the diseases common to animals and poultry and how they can be cured. The boys learn which foods will make animals and poultry grow faster and produce more abundantly.

They continue their classwork with the study of plants. They learn what and when to plant, when to fertilize, and when to harvest the crops. In addition, they learn how to cope with plant diseases and harmful insects.

Another phase of the course is farm shop. This year the freshmen concentrated on woodworking, using the power tools such as power saws, jointer, and wood lathe. Some of the products of this year's study were hay wagons, hog feeders, poultry nests, and gates.

The sophomores, juniors, and seniors entered a sheep exhibit last fall at the Stark County Fair. In addition to woodwork and their exhibit, the boys learned to clean, repair, and paint tractors and other farm machinery. They were helped by the recent purchase of a paint sprayer. They spent considerable time in arc welding.

In service to the school last fall, the juniors and seniors constructed a concrete sidewalk at the south entrance of the grade school.

Good Wife, Mother Must Learn Early

HOME ECONOMICS

Girls who major in home economics learn to cook, sew, and keep a home in preparation for a career as wife and mother. Girls with this background may also go to college and become home economists.

Each year girls in home economics demonstrate their cooking ability by entering the annual Cherry Pie Baking Contest and by serving for the eighth-grade tea. This year they also served for Open House.

The girls learned how to prepare for a reception by holding a mock wedding and reception this year.

Career Day, which was held for the first time in our school, was due mainly to the efforts of the homemaking girls.

These activities teach the girls to work together—a very important part of marriage. The ability to prepare a tasty, well-balanced meal is very important, too, and if she can sew, she can make many beautiful clothes for herself.

MATHEMATICS

Because everyone uses some form of it almost every day, mathematics is without question a very important subject. All of the subjects concerned with mathematics are too numerous to mention but the

advanced subjects are algebra, advanced algebra, plane geometry, solid geometry, and trigonometry. These subjects are important to anyone entering a scientific or engineering field.

Some knowledge of mathematics is important to every person from that of housewife to the highest business executive. Business arithmetic and bookkeeping are offered to those students who will someday enter business.

(Not pictured, Carol Lanning)

Business Workers Begin In High School

Secretarial Science or Business Administration Major

For those students who do not intend to continue their formal education beyond high school, the Secretarial Science and Business Administration courses offer the necessary training for office work.

Speed and accuracy in typing is very important for an office job, but typing students find that it can help them in school as well. They can do homework more quickly than before, and their grades might improve because papers that are typed are neater.

Shorthand is necessary for girls who want to be secretaries or stenographers

because of the need to take accurate dictation quickly. It helps students to take more complete notes in class as well.

Bookkeeping, math, and business training are important to everyone. To be a success today, it is necessary for every working person to keep records, and these subjects teach students how to do this.

Films, speakers, and field trips make learning fun; and they demonstrate to students how their newly-learned skills can help them in private life as well as telling how they will further a person's career.

Our Victorious Red and Gray

Varsity Basketball

December 1. Minerva was edged by one point in a two quarter preview match played against Poland on the East Palestine court, 29 to 30.

December 5. Rampage was the word for the Lions' first home game with the Malvern Hornets. Bill Elliott, with a 37 point splurge, came within 3 points of the school individual scoring record. Score 95 to 53.

December 13. Minerva played at Alliance and found the Aviators to be tough opposition. The Lions held their own for three periods, but the Aviators out-scored them in the final quarter to win 52 to 44.

December 16. Perry was the scene of battle in a game that saw the lead change hands regularly throughout all four quarters. With only a few minutes to go, the Panthers hit on two straight set shots to win

William Michael Polen

VARSITY BASKETBALL TEAM

Back Row: Mr. Lawther, coach; John Knox, Don Miller, Dave Stout, Bill Elliott, Walt Loudon, Chuck Wilson; Jim Crouse and Mike Polen, managers.

Front Row: Chris Ferris, Dick Houze, Gary Elliott, Ron Hardgrove, Bill Hamilton, Jim Davison.

58 to 57. Guard Chris Ferris' 13 points kept the Lions in the game right to the final buzzer.

January 2. Carrollton visited Minerva and was turned back 58 to 56. It looked as though the Lions would never get started, but, when they did they began to creep steadily up on the visitors. At 3:11 of the third period the Lions went ahead to stay.

January 6. The Lions won a Tri-County League thriller at Poland to avenge their earlier pre-season defeat. The game winning shot came from the hands of Ron Hardgrove with 5 seconds left in the last period, as the fighting Lions won 54 to 52.

January 9. The team clicked exceptionally well when it visited Lisbon. The Blue Devils were reported to be tough opposition, but the Lions came through in fine style, posting leads in all four stanzas and taking a victory 63 to 44.

January 13. Picking up steam, the Lions downed Leetonia on the home court. Leetonia tried hard, but Minerva eventually pulled away to win 64 to 49.

January 16. The Bulldogs from East Palestine were Minerva's guests in a Friday night combat that left every fan in a state of nervous fatigue. The final score was 57 to 53, as the Lions managed to keep their victory string intact. The victory was assured when John Knox walked coolly up to the foul line and sank the two foul shots which concluded the scoring.

January 20. In a surprisingly stiff game at Sebring the Trojans managed to come close to winning, but our team pulled together and came through to make their victory string five in a row. Score: 45 to 42.

January 23. Coach Andy Marko's Louisville Leopards were the visitors and the Lions were the victors in a closely contested game. Louisville posted first and second quarter leads and then Minerva pulled slowly back into the lead. Elliott, Hardgrove, and Knox combined scoring talent to give the Lions the 55 to 52 win.

January 27. The Lions posted their ninth victory of the season over the Columbiana Clippers at Columbiana. During the first half, they piled up a thirteen point advant-

age and the Clippers were never able to head them off. Final score: 66 to 57.

January 30. The Poland Bulldogs came to Minerva and lost their second game to the Lions 60 to 56. The game was close right down to the buzzer, but this was nothing new to the Lions' fans.

February 3. Minerva 56, Lisbon 32, read the scoreboard at the end of a strenuous Tuesday night of play on the home court. Lisbon couldn't score and Minerva couldn't miss.

February 6. Lions Elliott and Hardgrove led the way to a 55 to 42 win on the floor of the Leetonia gymnasium. Leetonia's Bears had plenty of punch but weren't able to beat the Lions' steady brand of ball.

February 10. The team came closest to defeat at East Palestine. With less than a minute left Jim Davison dunked two fouls to put the Red and Gray ahead by three points. East Palestine came back to within one point of the Lions and barely missed a second shot which would have won the game. Score: 50 to 49.

February 13. February 13 was certainly not bad luck day for Minerva. They turned back Sebring 82 to 48 on the home court.

February 17. Louisville became Minerva's victim again, this time on the Leopards' floor. The Lions outclassed the Leopards by 31 points, 80 to 49. The Leopards weren't able to hang on as the inspired Lions won the championship of the Tri-County League, which the boys had so well earned.

February 20. Columbiana was the last team to visit Minerva and they were unable to take home a victory. The Lions were victorious by a 70 to 66 score, thus making their Tri-County season perfect, a feat never before accomplished by any team in the league.

February 24. Tournament play started at Alliance. Minerva met the Trojans of Sebring for the third time and pounded out a victory 64 to 45.

February 26. Sandy Valley was the Lions' opponent. The Cardinals were considered a top team, but the Lions proved the experts wrong as they beat Sandy 76 to 56. John Knox and Chris Ferris played outstandingly, as they added 12 and 15 points, respectively, to the cause.

February 28. The team put the longest winning streak in Stark County on the line when they met Alliance. In the hotly-contested and hotly-disputed game, Alliance emerged victorious 58 to 50. The season was over.

The Minerva combine hits high gear.

The Winningest Coaches:

Don Lawther

RESERVE BASKETBALL

BACK ROW: Mr. Marcinkowey; Pat Garland; Gary Elliott; Doug Biggins; Walt Loudon; Ted Isue; Charles Wilson; Paul Dourm.

FRONT ROW: Dick Houze; Wayne Albright; Paul Binnig; Larry Hanna; Jim Hawkins.

Lion Cubs a 15 and 3 Year

December 5. The reserves began their season with an easy 58 to 16 romp over the visiting Green Hornets of Malvern. Dick Houze and Gary Elliott led the pack with 12 and 10 points, respectively.

December 13. For four quarters the Alliance Aviators gave the boys a real dog-fight, but, in an overtime, Gary Elliott managed to drop in a free throw and Minerva won; 54 to 53.

December 16. Perry's Panthers weren't able to stop the cubs, even with a home floor advantage. The team rolled right along to a win; 55 to 47.

January 2. The Carrollton reserves were an easy mark for the Lions when they visited Minerva's gym. The 23 points Walt Loudon sent through the hoop was the game high. Score: 66 to 37.

January 5. In a road game with Poland, the team dropped their first game of the season by the close score of 39 to 44, despite a second half spurt of 32 points.

January 9. Back on the plus side of the ledger again, our reserves took Lisbon, 55 to 48, on the Blue Devils' court, matching

them exactly on shot percentages but shooting more often.

January 13. Ted Isue and Dick Houze paced the team to their sixth win of the season as visiting Leetonia got bounced by a 77 to 48 score.

January 16. The boys came through, 62 to 47, against an invading East Palestine reserve quintet, as Gary Elliott had a 20 point night and the team sank 77% of their foul shots.

January 20. Sebring's Trojans provided the opposition in a battle at Sebring. And it was good opposition, since the Lions had to fight hard to take home their 54 to 50 victory.

January 23. Louisville became the second team to sink our boys, this time on the home battleground. The score was 51 to 57, as the Leopards were able to hang on to an 11 point first quarter lead right up to the end.

January 27. The Columbiana Clippers lacked the punch to come through with a win when Minerva traveled to Columbiana to meet them. The Lions' usual second half splurge did the trick; 51 to 35.

January 30. Lou Vogus put a foul through the net at 0.04 of the last period to send the game with visiting Poland into overtime. But it was of no avail. Poland eked out a 52 to 51 win.

February 3. Their determined efforts brought the reserves another win, this time over Lisbon's reserves on the home hardwood. Lisbon could never catch up as Minerva won; 61 to 47.

February 6. Leetonia's Bears became victims of the visiting Lions as Coach Marcinkowey's boys won in a walkaway; 71 to 37.

February 10. The cubs powered their way through to win a close 51 to 48 verdict over the Bulldogs of East Palestine. Chuck

Wilson led the cause with 16 points against the hosts.

February 13. The Sebring Trojans gave the team a good contest, but the host Lions outscored them in every frame except the fourth to pull away; 55 to 47. High man was again Chuck Wilson with 17 points.

February 17. They came, they saw, they conquered. That was the story when the Lions went calling on the Louisville Leopards. The boys had a fine night, as they avenged their early season defeat; 52 to 40.

February 20. Ending their season on a good note, the reserves defeated Columbiana's Clippers when they came to town on a Friday night. It was Minerva's 55% accuracy that brought about the 75 to 56 win.

FRESHMAN BASKETBALL

BACK ROW: John Mease, David Dourm, Gary Nigro, William Bingham, Stanley Hunter, Bob Wunderle, Frank Petros, Paul Eckley, Larry Hanna, David Garner, Danny Crawford.

FIRST ROW: Mr. Gallina, John Obney.

Freshmen Basketball

In their first game of the season, the freshmen lost by a score of 31-27 to Stanton.

The freshmen met United in their second game and were downed in the last quarter 36-32 after they had controlled the first three.

Again the freshmen remained on top during the first three quarters, but were edged out in the 4th by a score of 40-39 while playing State Street.

Their 4th game found the freshmen really rolling, downing Carrollton to the tune of 58-26.

When Minerva played host to B. F.

Stanton, Gary Nigro led the cubs to a 58-43 victory by racking up 23 points.

During the mid season tournament, played at Canton South, Jackson handed the cubs a very close 40-37 defeat, even though Wunderle, and Nigro bagged 14 and 12 points respectively.

The cubs gained revenge over an earlier defeat when they downed State 46-38.

Sebring regretted playing the cubs when they were presented with a 42-22 defeat.

Sebring held the cubs to only 27 points during the next game, but racked up only 18 themselves.

Varsity Cheerleaders

Rayme Hellyer

Varsity, Varsity

September 6. Minerva participated in the annual Stark County Football Preview at Massillon. Opposing East Canton, Minerva won a 7 to 0 victory by virtue of Vogus's touchdown during the allotted eight minute playing period.

September 12. In the first scheduled game of the season the Lions hosted Sandy Valley's Cardinals. The game was a fast, action-packed game highlighted by the running of Vogus for the Lions and Parmenter for Sandy Valley. However, when the game was over, Sandy had managed to win: 36 to 10.

September 19. Minerva travelled to Lisbon in its first Tri-County game of the season. Both teams were driving hard from the start and casualties were high on both sides. Although Minerva's backs, led by Stoffer's fine runs, did exceptionally well, they were unable to catch the high-flying Blue Devils, who won: 42 to 24.

September 26. Columbiana was the scene of the Red and Gray's second Tri-County

game. The play was close during the first period, which ended in a scoreless deadlock, but Columbiana eked out a second period touchdown that provided the winning 6 to 0 margin.

October 3. Leetonia visited the den of Minerva's Lions and found that Minerva was her match. The Bears were leading when, with only a few minutes left in the fourth period, Hellyer went off tackle on a draw play and sprinted 36 yards to score. The try for points was successful and the final score read 8 to 8.

October 10. Carrollton opposed Minerva in a non-league tilt at Carrollton. At half-time the score was close, owing to Dourm's 29-yard touchdown run, but Carrollton went on to triumph to the tune of 43 to 8.

October 17. Playing in the league again, Minerva met East Palestine on the latter's home field and had a very bad night. 46 to 6 was the score by which the league-leading Bulldogs trounced Minerva in the one-sided contest.

Ted Issue

Gail Vandegrift

Ron Hardgrove

Excited Minerva fans cheer for the team.

..... *is our cry*

October 24. "Dad's Night"—Sebring came to Minerva and neither team could gain an advantage in the encounter which followed, despite plentiful encouragement from Minerva dads on the sidelines. In the closing seconds Minerva rolled to the Trojan's 4-yard line, but the clock ran out and the game ended in a 0 to 0 tie.

November 1. On Saturday at 2:00 P.M. the Lions met Poland in a tussle on Poland's gridiron. For the eighth time of the season things turned out all wrong for Minerva and Poland got the heavy end of the 12 to 6 score. In spite of the loss, Davison and Hardgrove turned in stellar performances to make the Lion's day a little brighter.

November 7. At last the day had arrived

for the traditional battle between Minerva and Louisville. The combat was waged on Minerva's field. The heavily favored Leopards found the Lion's offense, led by hard-running John Knox, tough and the Lion's defense tougher. The Leopards pulled through to win 16 to 6 but they knew they had been in a real scrap.

The season's record is as follows:

Wins 0	Ties 2	Losses 7
--------	--------	----------

In spite of the bleak picture presented by this poor record, Minerva, as was the case last year, will have a surprising number of letter-men back for next year's squad. Only 3 of the 19 two-year lettermen on the team will be lost via the graduation route. The future can be bright for Minerva if the team so wills it.

*Best of luck to
a real nice
big Dave*

*Don Miller
Headman*

FRONT ROW: David Dourm, Jim Davison, Bill Hamilton, Dale Munk, Harley Wartman, Ken Young, Paul Eckley.

Baseball

The baseball team, under the guidance of coach Bernard Marcinkowey, began its workouts late in the month of March 1959. At first the team spent its practices doing conditioning exercises in the gymnasium with the track team, which was also beginning practice at about the same time. Then, after the spring thaw was finished and the condition of the field had been improved by repeated rollings, the boys went out for their first practices on real turf. Runners sped down the base-paths, pitchers limbered up their arms, and outfielders chased the hard-batted fly balls. Scenes such as these gave indication that a successful season was in the offering; but even so, the team would really have to work hard to eclipse the record of last

year's team, which held double wins over Malvern, United Local, and Augusta, a single win over Goshen Union, and three hard-fought defeats to Massillon, Goshen Union, and East Canton.

It is impossible to put down the record of what our Lions did this year, for, again, no games had been played at the time this Crescent was to be sent to the printer. The future, however, was bright with promise.

Following is a list of last year's varsity first string:

Richard Phillips, Neil Pumphrey, John Woodward, Kenneth Young*, Bill Elliott, Jim Davison*, Ron Hardgrove*, Chris Ferris*, Bill Hamilton*.

* Returning lettermen.

TRACK TEAM

Back Row: Larry Gill, John Alexander, Louis Whan, Jim Crouse, Randy Evans, Tom Casale, Larry Karlen, Bob Wunderle, Rudy Seibel, Jack Allen, Tom Richeson.

Third Row: Paul Dourm, Roger Hawkins, Don Weston, William Bingham, Larry Steen, Fred Albaugh, Frank Petros, Roger Stafford.

Second Row: Gene Morrison, Bill Richards, Dale Liston, Jim Simms, Craig Campbell, Jim Hawkins, Pat Garland, Bill Elliott.

Front Row: Coach Lawther, Dewey Russell, Gail Vandegrift, Paul Binnig, Denny Marriner, Rayme Hellyer, Walt Loudon, Ted Isue.

Track

Late in March the cinder men also held their first indoor practice sessions; then, as the weather cleared, they moved outside. Soon it was that the villagers saw coach Lawther's sweat-suited runners making their daily pilgrimage from the high school to the track. They were working toward the goal of every track man, a successful season like the one compiled by last year's track team. This year's record is not yet available for print, but last year's record is. It follows:

April 17—East Canton left for home without a victory, as the Lions won their first meet by a one-sided 71 $\frac{1}{3}$ to 28 $\frac{2}{3}$ score.

April 23—For the second time the team defeated East Canton's thin-clads, this time by the closer score of 57 $\frac{1}{4}$ to 50.

April 24—A strong Sandy Valley team managed to turn the tables on the Lions and collected a 62 $\frac{1}{2}$ to 45 $\frac{1}{2}$ victory.

April 29—Getting back on the victory trail, the boys downed their hard-fighting United Local opponents 65 $\frac{1}{2}$ to 50.

May 9—Jim Hahn participated in the county meet at Mount Union and won the 100 and 220 yard dashes, setting new county records of 10.4 and 23.5 seconds, respectively.

Following is a list of last years varsity: Jim Hahn, Bill Palmer, Donald Earley, Carl Rue, Gail Vandegrift*, Ernest Weston, Walt Loudon*, Paul Binnig*, Ted Isue*, Dennis Marriner*, Raymond Hellyer*, Dewey Russell*, Wayne Albright*.

* Returning lettermen.

ACTIVITIES

CRESCENT STAFF-EDITORIAL BOARD

Standing: Norman Summer, Bob Lawther, Glenn Jones, Marylee McAvoy, Joe Smalley, Bill Faith, Jim Arrasmith.

At Typewriters: Janet Felger, Jeanene Berkowitch.

At desk: Ruth Ann Nesbitt, Editor.

"Who Casts To Write A Living Line, Must Sweat"

When all the copy and the plates from the engravers are at the printers, the year-book staff can start relaxing after a long and hectic year. This year, although we worked many long and hard hours, day

and night, was one of the most rewarding ones ever lived. Being a member of the staff is not only educational and interesting, but it gives everyone on the staff an opportunity to really know all different kinds of people and how to get along with them.

LAYOUT OF CRESCENT STAFF

Paul Orwick, Norma Cunningham, Barry Dunlevy, Sandra Cox.

As we look back over the year, we shall always remember the good times we had together even when we were really rushed to meet certain deadlines. Meetings at school, the adviser's and editor's homes, trips to the printers, engravers, and photographers, gathering advertising and taking care of the financial end of the book are only a few of the jobs that are necessary to be done. Many surprisingly minute details have to be taken care of before the book is completed. Everything must be checked and re-checked for correctness and even though we desire perfection, we are not perfect, as no one is.

We sincerely hope that all our efforts have been successful.

Council Initiates Student Court, Honor Study Hall

OFFICERS

President Barry Dunlevy
 Vice President Jim Crouse
 Secretary Charlotte Willis
 Treasurer Margaret Mahoney

The Student Council this year initiated what they hope will become a very worthwhile fixture at Minerva high school, the Student Court.

The Council also sponsored an honor study hall, and held locker inspections each six weeks, with an award of five dollars to the winning class. The first two six weeks, the sophomores won, and the seniors won the third.

The Council meets twice a month with one of its two advisers sitting in on each meeting.

Co-advisers this year were Mrs. Thompson and Mr. Iddings. Mr. Iddings attended the first meeting each month and Mrs. Thompson, the second.

MAJORETTES

Carole Mease, Janet Morehead, Bette Lou George, Freda Nigro, Jenny Lee Betz, Jackie Bille, Marilyn Adams, Sandra Swearingen.

Whistles, Roll-offs, and Music

Minerva's Marching Band increased in quantity as well as quality throughout its successful 1958-1959 season. The personnel was increased from the almost traditional 66 members in 1957-1958 to 78 members during the 1958-1959 season. Proving itself in the quality aspect of the increase, this was the first year that the precision group was invited to attend the annual Band Show sponsored by the Massillon Band Boosters at Washington Stadium.

The band's season began when it participated in the parade preceding Minerva's Homecoming. The precision marchers really adapted themselves to the beat of the band's outstanding percussion section at the Stark County Fair's Band Day. This was one of the high points of the season.

Minerva's band was awarded many favorable comments and much applause from the capacity crowd which filled the grandstand.

All Lions' football games excepting Poland were attended by the all class, co-ed band. Pre-game festivities were celebrated and half-time thematic shows were presented for the enjoyment of Minerva's, as well as her opponent's, fans. Outstanding thrills of the shows were especially the spectacle of fire batons twirled by the band's twin head majorettes, Freda Nigro and Jenny Lee Betz. The climax of each show was the formation of the Letter "M" and the playing of the Alma Mater. The seniors of the band were recognized at the last home game.

... and the BAND

After the ribbons, batons, cap-lights, whistles, and field drums had been carefully put into their places, after the last football game and the last thunderous reverberation of the marching cadence had left the football field, East Street, and the parking lot in ghostlike stillness, the music stands, conductor's podium, and dusty concert instruments were dragged from the closets and then the Marching band started the long difficult task of making itself into a Concert band. The first formal presentation of the Concert Band was on

December 12, at the Instrumental-Choral Christmas Concert.

The outstanding event on the concert calendar was the annual Spring Concert held on April 3. Many seniors were featured in the concert.

On February 2, the entire band journeyed to Canton to participate in the Stark County Music Festival. There Minerva's 100 piece concert band joined with the other bands of the county to create the huge 1400 piece mass band that brought music to the ears of the over-

.... *Played On*

capacity crowd in Canton's Memorial Auditorium.

Freda Nigro, Janice Guest, Vernon Allen, Kenneth Ferris, and Robert Hockenberger were chosen to represent Minerva in the Select Band of the Festival.

Several members of the band attended music contests during 1959. The Stark County Contest and District VIII Solo and Ensemble Contest was attended by Freda Nigro, Janice Guest, Ann Burrows, Kenneth Ferris, Phil Ferguson, Robert Hockenberger, Todd Smallwood, and Gary Nigro.

All of Minerva's soloist and ensemble participants received ratings of superior, excellent, or good.

A select concert band entered the MENC Contest for bands and choruses. The group rehearsed every day and had several evening rehearsals as well.

The social highlight of the concert band was the military ball held in the Spring. The band members attended a banquet in the cafeteria and the members and their guests spent the remainder of the evening dancing in the auditorium.

"To our strain

One of the most outstanding groups of Minerva high school's vocal department, the Boys' Glee Club, is known for its performance of the Alma Mater. To our strain, the Alma Mater, your voices lend; and the Mixed Chorus does lend the voices of its members to the melodious strain of the school song.

Besides the two larger groups of the department there are the smaller divisions of these. The two Boys' Ensembles, the Girls' Ensemble, and Mixed Ensemble make up the list of selected groups.

The entire vocal department gave two public performances during the 1958-59 season. The first was its Christmas Candlelight Concert presented in collaboration

with the instrumental department on December 12, 1958. This was the first such concert presented by the singers. The candlelight processional and the performance of "O Holy Night" with harp, organ, piano and Grade school Boy Choir were among the highlights of the evening program.

The Spring Festival was the second public performance of the vocal groups. All groups of the department presented numbers. The sacred-secular program was well received by the audience.

Among the many outside activities in which members of the vocal department participated was the Stark County Music Festival. Barbara Starkey, Joyce Kidder,

SECOND ROW: Mr. Welch, Dee Ann Gram, Janet Felger, Ruth Ann Nesbitt, Linda McMacken, Joyce Niuman, Mary Ellen Weaver, Wilma Waugh, Carol Easterday, Trudy Culp, Kathy Strait, Sharon Sutton, Barbara Starkey, Ellen Cartwright, Dee Ann Rue, Jane Culp, Bonnie Wiley, Kaaren Neil.

... *your voices lend*

Joe Orin and Norman Summer were selected to represent Minerva in the select chorus of the all-county festival. The remainder of the Mixed Chorus participated in the 1100 voice mass chorus.

Two Boys' Ensembles, one Mixed Ensemble, and one Girls' Ensemble attended both the Stark County and OMEA District VIII Solo and Ensemble Contests. The groups were awarded ratings of Superior, Excellent, and Good at both contests. Joe Orin and Norman Summer represented the vocal department in the solo division of both contests and both singers were awarded ratings of superior.

One Boys' Ensemble and the above

mentioned soloists attended OMEA State Final Competition at Muskingum College, New Concord, Ohio, on April 11.

The Boys' Glee Club participated in the MENC competition held at Massillon Washington high school on March 14. This was the first year that any vocal group of Minerva earned a rating of Superior at this contest.

The various groups participated in the Thanksgiving, Christmas and Easter Assemblies; Baccalaureate and Commencement.

The ensembles also sang for several of the service clubs in the area.

GIRLS GLEE CLUB

NATIONAL HONOR SOCIETY

BACK ROW: Miss Wachtel, Paul Adams, Joe Smalley, Bette Lou George.

FRONT ROW: Norman Summer, Robert Lawther, Bill Faith.

"Learning Makes A Man Fit Company For Himself"

First Semester: Bill Faith, President; Joe Smalley, Vice Pres.; Betty Lou George, Secretary; Paul Adams, Treasurer.

Second Semester: Charlotte Willis, President; Norman Summer, Vice Pres.; Pat Miller, Secretary; Joe Smalley, Treasurer

Membership in the National Honor Society is one of the highest honors that a junior or senior can receive.

The four ideals of the society are character, scholarship, leadership and service.

There are five traits of character which include enthusiasm for learning and eagerness to do work well, courtesy, dependability, initiative, and perseverance on the job to the point of completion.

Scholarship is the first requirement for membership in the National Honor Society, with leadership a close second.

Service is recognized by the contribution of time and effort to school and class

projects.

The spring activity included the annual party with honor students as guests.

At graduation exercises senior members of the National Honor Society were distinguished by gold tassels on their caps.

NATIONAL HONOR SOCIETY (New Members)

Charlotte Willis; Pat Schmidt; Pat Miller; Bob Baxter; Miriam Matz; Judy Petrucci.

 Adviser W. W. Nesbitt

The Future Farmers' activities or yearly program of work is planned and started April 1 of each year.

Some of the early spring activities include the purchasing of certified seed corn, and certified oats. The boys bought cooperatively and used the seed for their home projects.

They also planted several thousand pine trees for reforestation projects.

In May, they entered the District Soil Judging Contest held at Beaver Local

School. Minerva placed fourth in the contest with ten teams entering. The members of the team were Gary Snode, Dean Haynam, Don Hafner, and Wilbur Cogan.

They held a meeting in July at which they voted to contribute money to help purchase purebred heifers to be sent to Turkey. The heifers were flown to Turkey in September.

In September they entered their Farm Shop exhibit in the Stark County Fair. All the entries received a grade of A and cash prizes and ribbons were awarded.

In November our chapter was host to the District Parliamentary Procedure Contest. It was held in the cafeteria. Ten schools were entered. Minerva received a Gold rating along with Carrollton and United Local Chapters. This is the tenth gold rating we have received. The mem-

Flower—Red Rose

Colors—Red and White

Every month the girls in FHA had at least one project. Their first project was making and selling candy apples at school and at football games. The money raised was used to buy a portable mixer for the home economics department.

On December 4 they held a Mother-Daughter Banquet. They had a Christmas Caroling Party and a gift exchange.

On February 11 Minerva high school was the scene of a career day sponsored by the Future Homemakers. This day was dedicated to helping the students choose a career. Men and women from all over

northern Ohio, as well as Minerva, came to speak to the students about their careers. Through the hard work of the FHA, Mrs. Carlson, their adviser, and Dora Mae Snyder, student chairman, Minerva high school's first career day was very successful.

The club feted the high school teachers and administrators with a luncheon on March 17.

National FHA week, April 5-11, was observed by housecleaning the home economics room.

The annual Eighth Grade Tea was held on April 16. Future freshman girls enjoyed a program and tour that helps them to become oriented more quickly the following fall.

On April 24 and 25 Barbara Lowmiller, Dora Mae Snyder, and Mary Haynam attended a State meeting in Columbus.

Mary Haynam served as historian of the County FHA organization.

FUTURE NURSES' CLUB

BACK ROW: Karen Rue, Kay Fry, Nancy Kibler, Sarah West, Brenda Dieringer, Jackie Starkey, Ruth Ann Nesbitt, Linda Peron, Judy Spore.

SECOND ROW: Carol Bush, Mary Haynam, Suzanne DeMate, June Grimes, Lois Starkey, Mary Helen Clapper, Jackie Sanor, Carolyn Ambler.

"The Chamber of Sickness is the Chapel of Devotion"

President Linda Phillips
 Vice President Linda Blim
 Secretary Dee Ann Rue
 Treasurer Virginia McDole
 Adviser Mrs. Robert Lanzer

Purpose of this club is to interest students in personal and community health; to encourage them in finding out what nursing requires, and what it offers; to help them decide if professional or practical nursing is the career for them.

In November, 1958, the girls attended a tea at the Mt. Sinai Hospital School of Nursing.

At the February meeting nursing and qualifications for nursing were discussed. June Grimes talked on Pre-Nurse exam-

ination; Mary Haynam and Nancy Kibler talked on "Why I Want to Become a Nurse."

The girls attended Open House at Mercy Hospital School of Nursing on February 28, 1959.

In the spring, the girls attended the Youngstown Hospital Association School of Nursing.

At the close of the year a pinning ceremony was presented.

PROSPECTIVE PEDAGOGUES

BACK ROW: Kenneth Young, Paul Orwick, Donnie Davies, Bill Elliott, David Stout, Ted Issue, Joe Smalley, Tom Lyons, Dennis Atkin.

SECOND ROW: Mrs. Logan, Sandra Cox, Joyce Donelan, Ardena Gassman, Bette Lou George, Ruth Nesbitt, Jackie Bille, Marylee McAvoy.

FRONT ROW: Gaye Lee Morehead, Sandra Allen, Carole Mease, Freda Nigro, Carol Polen, Linda Labus, Susan Unkefer.

Prospective Pedagogues

President	Joe Smalley
Vice President	Tom Lyons
Secretary	Carol Polen
Treasurer	Jackie Bille
Historian	Susan Unkefer
Librarian	Linda Labus

The Future Teachers of America was established by the National Education Association in 1937.

At the beginning of this present school year 1958-1959, several students expressed a desire to bring a chapter of FTA to Minerva high school. Mrs. Logan agreed to sponsor the club with Miss Hazen's assistance.

The charter was granted in December. The club voted to call its chapter Prospective Pedagogues. There are 23 active members.

The purpose of the FTA club in high school is to help young people explore teaching as a career.

The club offers opportunities to

seniors and juniors to try their hand by serving as helpers to the teacher in their favorite subjects; to observe children at different ages as they learn and develop under the guidance of a competent teacher and to visit colleges where teachers are being prepared. In short, the FTA tries to help the student discover whether he or she has what it takes to become a good teacher.

The constitution for the Minerva chapter was adopted March 13, 1959.

Some of the fields in which the members are interested are elementary education, foreign languages, social studies, mathematics, physical education and health, English, journalism, and science plus many other fields.

Football Queen, Judy Petrucci

Judy Petrucci, Minerva High School senior, was chosen 1958-59 football queen. She was crowned by football co-captains, Jim Hawkins and Ted Isue, at a pre-game ceremony held at the football field before the Minerva-Leetonia game, October 3.

The band played "Sweetheart of Sigma Chi" while the queen and her attendants stepped onto the field from their convertibles. The queen was attended by Carol Locke, senior, and her escort Ken Young; Pat Lutz, junior, and her escort Chuck Wilson; Margaret Mahoney, sophomore, and her escort Don Miller; Nancy Niuman, freshman, and her escort Gary Nigro. Judy was presented a large bouquet of roses and mums. The queen and court watched the game from a specially erected throne at the edge of the field.

The junior class sponsored a dance in honor of the team, queen, and court in the high school auditorium after the game.

Royalty of the Gridiron

FOOTBALL QUEEN'S COURT

Margaret Mahoney, Carol Locke, Judy Petrucci, Pat Lutz, Nancy Niuman.

"The Nutcracker Prince", a fantasy about a little lame princess who lives in the land of Happiness was presented for the May Queen and Court, May Day, May 9.

The fairy tale was taken from Tschaikowsky's "The Nutcracker Suite." The story concerns dancing toys and how they help the little princess to walk again. Only a pretty story? Perhaps it is, but it could have been a touch of magic . . . the magic in a believing heart, in a far, far land of Happiness.

MAY QUEEN AND COURT

CLOCKWISE: Judie Harsh, Wilda Critchfield, Jackie Bille, Joyce Kidder, Judy Petrucci, Bette Lou George, Carol Locke, Goddess and Jenny Lee Betz, Queen.

These Girls Shine In Sports

President Carole Elton
 Vice President Saundra Cox
 Secretary Linda Menegay
 Treasurer Norman Cunningham
 Adviser Miss Gloria Altomare

The Girls' Athletic Association gives the girls a broader interest in sports and promotes physical efficiency, good sportsmanship, and better scholarship.

The club, composed of 20 active members, met at least twice a month except for a few exceptions when they could obtain the gym at the last moment.

On October 7, a hayride was held after which the club enjoyed a wiener roast.

The first half of the year was spent

playing powder-puff football, a new activity just added to the many sports of the GAA.

The rest of the year consisted of volleyball, basketball, bowling, and swimming. In March the annual all star basketball teams, Yale and Harvard, were picked. The all star game was played from 7 to 8:30 p.m. March 16.

By participating in the many activities of the club the girls can earn points to add to their score which will enable them to receive honors such as letters, numerals, and pins.

To end the GAA year, a picnic was held. Pins, numerals, and letters were awarded to the deserving members. The covered dish supper honored the seniors. Then the elections of next year's officers were held.

PEP CLUB

BACK ROW: Gill, Hendershot, Cox, Waddell, Dieringer, Stratton, DeLuca, Niuman, Mahoney.
 SECOND ROW: Miss Altomare, Davis, Bingham, Stuckey, Paxton, Sanor, McArtor, Menegay.
 FIRST ROW: Bixler, Donaldson, Mueller, Petrucci, Locke, Harsh, Knight.

President Clara Phillips
 Vice President Sandra Cox
 Secretary Connie Moore
 Treasurer Joyce Kidder
 Adviser Miss Gloria Altomare

This newly formed club was organized this year for the purpose of strengthening enthusiasm for school spirit and for promoting good sportsmanship and behavior in the cheering section.

PEP CLUB

BACK ROW: Cole, Watson, Stoffer, Culp, Barnes, Blim, Ray, Curry, Kidder, Critchfield, Cunningham. SECOND ROW: Donelan, Felger, Myers, Bille, Harsh, Sluss, Gram, McMacken, Strait, Sutton. FRONT ROW: Coutts, Haynam, Baughman, Guest, Wood, Petrucci, Knight, Carson.

FRONT ROW: Sheldon Ray, Richard Paxton, Bill Faith, Paul Adams, Tom Lyons, Norman Summer, Dennis Atkin, Tom Patton.

Shoulder to Shoulder

President John Knox
 Vice President Bill Faith
 Secretary Norman Summer
 Treasurer Don Stafford
 Chaplain Carl Rue
 Parliamentarian Paul Dourm
 Sergeant-at-arms Ken Young

This year the club was re-organized and limited to fifty members. Underclassmen receive membership by the tapping process.

The new members had to shine shoes for one week as their initiation.

The Hi-Y had a swimming party on March 19, at the Canton YMCA.

MINERVA Hi-Y HAS A SUCCESSFUL SEASON

The Minerva Hi-Y had a very successful season on the hardwood this year.

Their record of four wins and three losses was quite commendable considering the schedule which they faced.

The starting line-up was composed of Larry Gill, Larry Stoffer, Gail Vandegrift, Gary Betz, and Harry Murray.

Other team-members were Ray Hellyer, Lou Stafford, Carl Rue, Paul Dourm, Sheldon Ray, Denny Marriner, Jack Allen, Richard McClellan.

Kenny Young did an excellent job in coaching the boys. He was assisted by Vernon Allen.

In the tournament, they advanced to their second game without a contest due to a forfeit by Jackson.

Unfortunately they lost their second game to a very strong McKinley combine, 51-24.

The team's leading scorer was Larry Stoffer, and its leading rebounder was Larry Gill.

Games won: Lehman, Perry, Louisville, and Jackson.

Games lost: Canton South, McKinley, and Sandy Valley.

HI-Y

BACK ROW: John Daugherty, Kenny Young, Don Stafford, Ronnie Lee, Robert Hockenberger, Larry Hardgrove, Dewey Russell, Terry Thomas.

SECOND ROW: Jim Buxton, Gary Elliott, Tom Casale, Gail Vandegrift, Ted Isue, Larry Gill, Lou Stafford, Jim Hetrick.

FRONT ROW: Harry Murray, Larry Stoffer, Chris Ferris, Jim Hawkins, Gary Hunter, Dennis Marriner, Raymond Hellyer, Lou Vogus.

... Bolder and Bolder

HI-Y BASKETBALL TEAM

By Your Works You May Be Known

President Jim Simms
 Vice President Donald Meese
 Secretary-Treasurer LeRoy Bucey
 Publicity Chairman Gene Guest
 Adviser Wendell Smith

This club, as shown in the constitution, is known as the Students of Science Club, which is affiliated with the Science Clubs of America. The purpose of this club is:

- A. To increase the knowledge of science.
- B. To give service in the community and nation.
- C. To understand the importance of science in our lives.
- D. To help carry out the program of Science Clubs of America.

Any boy or girl enrolled in a science class is eligible for membership. Application for membership must be made in writing to the secretary, who investigates the eligibility of the candidate. Follow-

ing the secretary's report, an election requiring a majority vote of the members present is held.

All members must attend meetings regularly; two consecutive absences without satisfactory reason is considered cause for dismissal.

Regular meetings are held on the fourth Monday of each month during school session or at a time designated by the proper school authority. The meetings consist of business and program sessions.

The Students of Science conducted experiments and occasionally hear speakers at their regular meetings.

From their own treasury the club members have purchased films, books, and special equipment pertaining to science that are available to anyone who may benefit from them.

On April 4 several members attended Science Day at Kent State University.

Y-TEENS SENIORS

BACK ROW: Pat Schmidt, Miriam Matz, Jenny Lee Betz, Carol Lanning, Judy Welman, Marylee McAvoy, Shirley Ray, Clara Phillips, Dorothy Phillips, Sandy Swearingen, Carol Polen, Alice Shields.

SECOND ROW: Miss Hazen, Roberta Young, Carolyn Wilson, Sandra Cox, Carol Locke, Susan Bates, Freda Nigro, Pat Miller, Esther Kalem, Carole Pietrafese, Mrs. Logan, Miss Kast.

FRONT ROW: Judie Kae Harsh, Janet Felger, Edith Kibler, Bette Lou George, Judy Petrucci, Susan Unkefer, Judy Parker, Carole Mease, Charlotte Willis, Norma Cunningham.

To Grow As A Person

President Bette Lou George
 Vice President Judy Petrucci
 Secretary Susan Unkefer
 Treasurer Judy Parker
 Worship Chairman Edith Kibler
 Program Chairman Judie Kae Harsh
 Service Chairman Charlotte Willis
 Social Chairman Janet Felger
 Publicity Chairman Norma Cunningham
 Song Leader Carole Mease
 Advisers Miss Hazen, Miss Kast,
 and Mrs. Logan

The Y-Teen executive committee was hostess to a mixer held at the Community Building on September 15 to acquaint the girls of the school with the purpose of the organization which is as follows:

"To build a fellowship of women and girls devoted to the task of realizing in our common life those ideals of personal and social living to which we are committed by our faith as Christians.

In this endeavor we seek to understand Jesus, to share his love for all people, and to grow in the knowledge and love of God."

Early activities of the group included the selling of "forget-me-nots" for the

Disabled American Veterans in September, and Edith Kibler sold the most.

A bake sale was held October 18 at the W. Ray Brown Insurance Agency.

The annual recognition ceremony was held October 20 in the high school cafeteria for approximately 150 girls who had learned the purpose and expressed their desire to become members by paying their dues. Mothers of the girls were guests. James Arrasmith, a senior at Minerva high school, was guest speaker. He spoke and showed slides on his summer trip to Germany as an exchange student.

Sandra Allen and Edith Kibler represented our group at the annual United Nations Study Trip October 22 at New York City.

The girls sold canned nuts during October and November as a money raising project.

"Sweethearts' Ball" was the theme of the annual Y-Teen formal held February 14 in the high school gymnasium. Norma Cunningham and her committee were in charge of decorations.

The Y-Teens planned the annual Easter assembly and were assisted by the music department.

Membership is a Privilege

President Bill Faith
Vice President Jim Arrasmith
Secretary Carol Polen
Treasurer Joe Orin
Debate Manager Joe Smalley
Librarian Jeanene Berkowitch

Besides being an achievement for those students who work hard in debate it is a privilege to be a member of an organization which includes present and future leaders of America.

For many students membership in the National Forensic League is the high point of their school career. For others it opens the door to still greater opportunities and success.

There were thirty-three NFL members participating in the 1958-1959 debate season. Six of those obtained the highest honor possible, the Degree of Distinction. The first to receive 250 was Charles V. Carlson, instructor, and Joe Smalley, Bill Faith, Joe Orin, Carol Polen, Ronnie Lee, and Norman Summer followed. Eight students did not meet their NFL membership requirement of 25 points.

The Forensic activities provided a long, tight, but exciting schedule. The schedule was as follows:

October

4—Discussion Conference at Glenwood.
24 and 25—Tri-State Debate Tournament at Jamestown, New York.
27—Prince of Peace at Massillon.

November

8—A and B Debate at Lincoln.
15—Individual Events at Minerva.
22—Novice Debate at Alliance.
26—Individual Events at Jackson.

December

6—A, B, and C Debate at Wadsworth.
13—All events at Wooster.

January

10—A and B Debate at Central Catholic.
Individual Events at Massillon.
17—Unlimited Debate at McKinley.
24—Individual Events at Lehman.
26—County Individual Events at Jackson.
31—A and B Debate at North Canton.
Individual Events at Wadsworth.

February

7—A and B Debate at Louisville.
9—County Debate at Hartville.
14—A and B Debate at Massillon.
Individual Events at Cleveland.
27 and 28—NFL District at Wooster.

March

20, 21—State Tournament at Columbus.

DEBATE CLUB

BACK ROW: Tom Lyons, Joe Smalley, Joe Orin, Jerlette Nolan, Jim Arrasmith, Ronnie Lee, Brenda Dieringer, Ted Issue, Bill Faith, Bud Arrasmith.

SECOND ROW: Mr. Carlson, Eldon Trubee, Terry Lyons, Norman Summer, Joyce Kocher, Dora Snyder, Sandra George, Charles Dominick, Helen Clark, Carol Bush.

FRONT ROW: Jeanene Berkowitch, Carol Polen, Ladd Kopp, Sondra Butterworth, Jane Clark, Deanna Donaldson, Judy Kurfiss, Sandra Allen.

... and a Recognition of Achievement

April

4—NFL District Student Congress at McKinley.

11—"A" Debate at Niagara Falls, New York.

June

23 and 26—National Tournament at Florida.

The Lyceum, the adopted name of old Greek debating societies, in attending all these tournaments traveled approximately 2212 miles (excluding the National Tournament in Florida).

On October 24 and 25 Joe Smalley competed in the Tri - State all - events Tournament and won second place in extempore. Joe was awarded a beautiful engraved plaque.

Continuing the extempore record, Bill Faith and Joe Orin tied for first place at the Jackson Individual events Tournament November 26.

Joe Orin received the third place medal in extempore at the Wooster all events tournament, December 13.

Again on January 31, Bill Faith honored MHS by winning the first place

trophy in extempore speaking at the Wadsworth Individual Events Tournament.

At Louisville on February 7 the Minerva B-debaters tied for first place. The members of that victorious team were Deanna Donaldson, Judi Kurfiss, Bill Faith, and Tom Lyons.

Bill Faith and Joe Orin copped top honors January 26 at the County Speech Tournament. Bill was first in extempore speaking and Joe was second in humorous declamation. This qualified them for the State tournament.

Charles Dominick and Joe Smalley ran away in extempore at the NFL District Tournament at Wooster on February 27 and 28. Charles won the first place trophy, qualifying for Nationals, and Joe won the second place ribbon, qualifying for State. At the same tournament Ronald Lee and Norman Summer received sixth place in debate. Minerva as a whole placed fifth for sweepstakes (total points).

In the 1959 season Charles Dominick, Bill Faith, Ronald Lee, Joe Orin, and Joe Smalley received 23 firsts in extempore speaking rounds.

CHARLES DOMINICK
REPRESENTS M H S
AT NATIONALS
IN FLORIDA

STATE AND NATIONAL DEBATERS
STANDING: Bill Faith, Joe Orin, Joe Smalley.
SEATED: Charles Dominick.

Palm trees swaying gently in the cool sea breeze, with the beautiful blue ocean in the distance. . .

Sounds like a summer vacation in the South Seas? That will be the scene before the NFL'ers of the 1959 National Speech Tournament scheduled for June 23-26 at the University of Miami, Coral Gables, Florida. Charles Dominick represented Minerva in extempore at the National Tournament. He was accompanied by Mr. and Mrs. Charles V. Carlson.

The Ohio State University was the scene of the State tournament on March 20 and 21. Minerva was the only school in the State to have three qualifiers in extempore. They were Charles Dominick, Joe Smalley, and Bill Faith. Joe Orin participated in Humorous Declamation.

Once again we close the doors on a glorious season of debate.

PRINCE OF PEACE

Eight students participated in the annual Prince of Peace contest held Sunday night, November 9, at the Minerva Christian Church.

Ronald Lee was declared the winner. Second place went to Barbara Starkey, and Joe Smalley was third.

Ronnie's oration was entitled "Man's Garden of Eden," Barbara's subject was "Strike Three," and Joe's speech was "Four Horsemen." The other participants were Robert Baxter, Marylee McAvoy, Betty Weaver, Carol Polen, and Dora Mae Snyder.

JUNIOR-DEBATE PLAY CASTS

Standing on stairs: Joe Smalley, Larry Stoffer, Frank Sanor, Walter Arrasmith, Terry Lyons.

Standing on stage: Bill Faith, Wilda Critchfield, Joe Orin, Ronnie Lee, Phil Ferguson, Jim Arrasmith, Norman Summer, Ted Issue, Tom Lyons, Joni Morrow, Deanna Cole, Gaye Morehead.

Seated: Marla Barnett, Carol Polen, Linda Wyatt, Jim Hetrick, Eldon Trubee.

"Arsenic and Old Lace"

Friday	Character	Saturday
Marla Barnett	Abby Brewster	Marla Barnett
Tom Lyons	Mortimer Brewster	Tom Lyons
Norman Summer	Teddy Brewster	Norman Summer
Joni Morrow	Elaine Harper	Joni Morrow
Bill Faith	Lieutenant Rooney	Bill Faith
Walter Arrasmith	Officer Klein	Walter Arrasmith
Phil Ferguson	Dr. Einstein	Phil Ferguson
Jim Hetrick	Rev. Dr. Harper	Eldon Trubee
Linda Wyatt	Martha Brewster	Carol Polen
Frank Sanor	Officer Brophy	Terry Lyons
Ted Issue	Jonathan Brewster	James Arrasmith
Larry Stoffer	Officer O'Hara	Joe Smalley
Gaye Morehead	Miss Witherspoon	Deanna Cole
Ronald Lee	Mr. Gibbs	Joe Orin

The play, "Arsenic and Old Lace," is the story of two old dames who poison their gentlemen friends and bury them in the basement. The ladies' nephew, Teddy, believes he is Teddy Roosevelt and goes around the house blowing a bugle. In

addition to this, there is a murder in the family and another nephew, Mortimer, tries to eliminate the problems.

Charles V. Carlson directed the play with Wilda Critchfield serving as assistant to the director.

Christmas Fun

SENIOR SKIT

"Danny Crawford"

Congratulations—another born critic!

BORN in America—so he has freedom of speech. He's expressing it already—and he can go right on criticizing, discussing, debating for the rest of his life here. Nobody's ever going to tell *him* to shut up!

Imagine the difference, had he been born in a Communist country. He'd *never* be able to criticize *anything*. He couldn't sound off about taxes, government, job, prices, criticize public officials. Why not? Well, if he did he'd be shot.

We hope he becomes a good, honest, sincere critic. We hope he'll always stand right up and defend his rights. We hope he'll never be afraid to turn the spotlight on wrongs—so someone will take steps to right them. Because that's the American way, and it's an American right guaranteed by the Constitution. It's a *freedom*, and we're all *born* to it.

One thing we know: the rest of us aren't going to let anyone come in and rob him of this right, until he grows up and can

defend it for himself. We aren't going to trade our freedoms—any of them—for Iron Curtain conditions.

Will *you* stand up and defend your freedom of speech? If you do, nobody can ever take it away from you.

THE END

The Beginning

With this page, this book is ended. With this year many other things have ended too. Just as the supports were cut away from the fifty year old water tank on Hart's Hill on May 5, likewise the support of our Alma Mater has been cut away with the acceptance of a diploma by each member of the graduating class. The discarded, outmoded water tank, scene of many a color fight in the days of our parents and grandparents, has been replaced by a splendid, new structure proudly proclaiming the progress of our village.

So may there be a casting out of the outmoded and discarded elements from our lives. May our lives and the lives of those who follow us be renewed and enriched as we travel down new pathways of progress and have new opportunities presented to us.

Acknowledgment

We wish to express our appreciation to Mr. and Mrs. Robert Kratz of Robertsville, who graciously flew in their airplane Mr. Leonard O. Boerner, our printer, when he took the aerial views of Minerva which are found on the end sheets of our yearbook.
